How to get your
FREE DOOR + WINDOW SOLUTION

YOU **+** teva

STEP 1: Connect to Google Drive

GEOMETRY **STEP 2:** DATA
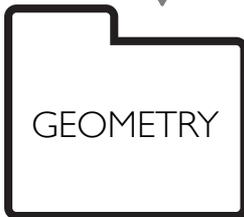

BimBakery.co Library 19-20 **+** *Manufacturer Library*

ADD LIBRARY
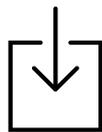

STEP 3: GRAPHISOFT. ARCHICAD

AutoSpec®

BimSpec™

STEP 4: b *Activate MVO*

Step 1:
Connect to the relevant google drives and sync the libraries onto your machine.

- Connect to google drive:
- Download directly onto your machine (Your library will not be connected and automatically updated)

Step 2:
Ensure that you have both the Solution library + the Manufacturer data library.

- Get the BimBakery.co Tool + Solution Library from the BimBakery™ shared google library: https://drive.google.com/open?id=0B1M5V7hCTYkCVm5uRmQ2ZTJIRnc

- Get the TEVA Data Library from the BimSpec™ Shared google folder: https://drive.google.com/open?id=0B0WecE-3-ziwYV81cDduZkNfNlk

Step 3:
Load the relevant libraries into your ARCHICAD 19 or 20 project.

- File, Library Manager, ADD Library.

Step 4:
Get FREE MONTHLY activation code and insert into ARCHICAD Model View Option.

- Click on get code
- Copy and paste from website to MVO
- Solutions will be activated for until the 1st of each month.
